"(c.) The name and address of each owner thereof:

"(d.) The name and address of any person claiming notices of assessment and taxes pursuant to the provisions of subsection (2)."

16. Sections 233 to 240, inclusive, and 242 and 243 of the "Water Act" shall not apply to this improvement district, and the following provisions shall apply thereto:—

"(a.) The Assessor of the improvement district shall notify each owner of land of the classification and estimate of area made by the Assessor of the owner's land. This notice may be combined with the notice required under the 'Municipal Act' to be given by the Assessor of the Township of Spallumcheen. The notice shall contain information to the effect that the assessment roll of the improvement district will be revised by the Court of Revision of the Township of Spallumcheen at the time and place the municipal roll is revised and that the owner has a right of appeal from the said Court of Revision to the Water Board.

"(b.) The assessment roll as confirmed by the Court of Revision of the Township of Spallumcheen and revised, if at all, on appeal to the Water Board shall be valid and binding on all persons affected notwithstanding any omission or any defect, error, or misstatement in any notice required or the omission to transmit such notice; and the roll shall for all purposes be the assessment roll of the improvement district until a new roll has been prepared, revised, and confirmed."

17. Subsection (2) of section 244 of the "Water Act" shall not apply to this improvement district, and the following provisions shall apply thereto:—

"The Trustees may in any by-law levying taxes fix the minimum amount of the taxes payable under the by-law in respect of any parcel of land."

"(a.) Upon the passing of a by-law levying any tax upon the lands in the district the Secretary of the Trustees shall transmit a copy of the by-law and a copy of the current assessment roll to the Collector for the Corporation of the Township of Spallumcheen, and the said Collector shall thereupon add to his municipal Collector's roll in a separate column the taxes levied under the by-law of the improvement district against each parcel of land, and the taxes so added shall thereupon become subject to the provisions of the 'Municipal Act' and of the by-laws of the Township of Spallumcheen in like manner and to the same extent as if they were municipal taxes levied by the Council of the said Township of Spallumcheen under the 'Municipal Act.'

"(b.) The Municipal Collector shall pay over annually on or before December 31st in each year to the Trustees of the improvement district the amount, if any, collected by him in pursuance of the above provisions, less any penalties and interest collected, which penalties and interest the Municipal Collector shall be entitled to retain for the use of the municipality.

"(c.) In case any lands within the improvement district are purchased by the municipality by tax-sale proceedings, and are not redeemed by the former owner at the expiration of the time limited for redemption, the Corporation of the municipality shall acquire said lands free from any liability to account to the improvement district for any amount due and unpaid to the improvement district in respect to said lands, but with the consent of the Trustees may convey the lands to the improvement district on payment of the amount, if any, due to the municipality, and the Trustees may thereupon lease, sell, exchange, or otherwise dispose of such lands by tender after advertisement, and if no bids are received they may by by-law sell such lands for the best price obtainable."
